Dear Parents

National Space Centre Visit – Thursday 30 January 2020

As part of our ambitious Year 8 science curriculum we are studying space. We have therefore organised a visit for Year 8 students to the National Space Centre. The cost of the trip is **£15**.

Students will come to school at the usual time. They will travel to and from the venue by coach. We will depart at 9am and return at 2.30pm in anticipation of arriving back at school for 4pm. **Please note that your child will need to wear full school uniform.** Please provide your child with a packed lunch. If your child receives free school meals they will be provided with a packed lunch. Your child will have the opportunity to purchase a souvenir from the shop so may wish to bring a small amount of money. Mobile phones will be permitted.

If you would like your son/daughter to visit the National Space Centre on Thursday 30 January, please complete and return the consent slip below and make payment on SIMS Agora by Friday 24 January at the latest. Students in receipt of Pupil Premium funding do not need to pay.

Yours faithfully

Miss Marie Beecroft
