## Advent in reverse

December has arrived and the countdown to Christmas has begun—and to mark the occasion, we launched our own 'Reverse Advent'. That means every day for the next two weeks, students will be making a donation to our collection for the Newark foodbank. It has been great to see the gifts starting to pile up under our tree and we really hope that every student will be able to make a donation to this worthy cause. Check the list of urgently needed items below or, you can click [here](#) for more information about the Newark Foodbank and the difference they have already made to those most in need in our community.

The inaugural meeting of our Local Governing Body (LGB) took place on Friday and it was a pleasure to welcome Mrs Lynn Baker and Mrs Kelly Edwards as our first Parent Governors. We are also delighted to announce that Mrs Pippa Suthers (wife of the late Martin Suthers) has been elected as Chair of Governors. We look forward to working together to create a truly amazing school.
