The Results Are In!

The votes have been counted and we are delighted to be able to announce that Cody Harrison has been elected Head Boy and that Amelia Beresford-Wilson has been elected as Head Girl. In a very close-run contest there were just a few votes in the final result and so we are also very pleased to have appointed Rocco Conway and Paige Cooksey-Osborne as Deputies. Paige and Amelia also had reason to celebrate today as they were enjoying a non-uniform day as House Point Champions from last term! Well done to all our candidates and Attenborough!

An historic moment: (from left) Paige, Ameila, Cody and Rocco are great role models—well done!

Stunning Solar Systems

We saw great application of DT skills in Science this week with the creation of these fantastic models of the solar system.

Beacon House Tops the Table

Congratulations to Beacon House, this week's top-performing team in the race to become House Point Champions for Term 4! Keep up the hard work everyone! (See below).
