

The Bulletin

Your Weekly News Update from The Suthers School

In Brief:

- ◆ **Our Word of the Week** was 'definitely'.
- ◆ **Get involved**—as we look towards the exciting future of The Suthers School, we are keen to keep in touch with what parents think. If you would like to be involved in a parent forum, please email Mrs Braithwaite.
- ◆ **FREE WEBINAR for parents** Click [here](#) to access a free E-Safety workshop for parents run by gooseberryplanet.com
- ◆ **New build update**—news on planning application expected in the next 2 weeks!
- ◆ **New perimeter fencing** construction underway. This week we welcomed the news that the public footpath on site has been diverted which means we can expand the spaces available for students at break and lunchtime.
- ◆ **Looking forward to our Spring Welcome Event** for all new students and their parents on Saturday 19 May.

Back From a Brilliant Bank Holiday!

It was great to hear all about the fun that our students had in the Bank Holiday sunshine last weekend, including those who spent three nights under canvas at Mega Moot, the biggest Scout and Girlguiding event in Nottinghamshire! The event was attended by 5,000 young people and included a great range of activities including archery, abseiling and even an outdoor cinema.

Not to be outdone, Mr Pettit announced the much-anticipated destination for this year's Golden Ticket Trip on Friday (see below). Students will get to participate in activities ranging from paddle-crafting to assault courses and high-wire walking in what promises to be an action-packed day. Full details, including an invitation letter to follow soon.

And—as we await the formal approval for the new build—we are busy exploring the ways in which we can maximise the site's potential, including the possibility of a connection to the RAF and land's history as a former airfield. This could even include the creation of our very own Air Cadet squadron!

GOLDEN TICKET TRIP 2018—DESTINATION ANNOUNCED

This week, students got their first glimpse of the destination for our first ever Golden Ticket Trip which will take us to the National Watersports Centre and will include a whole host of action-packed activities such as the Lagoon Wipeout (Left).

Suthers Students Cook Up New Way to Support Local Charity

ICYMI: Well done to Georgia, Lauren, Celia, Ellen and Piper for the brilliant work they did to support the Newark Emmaus Trust. You can read the full *Advertiser* report [here](#)
