THE COUNTDOWN IS ON!

The countdown is on to our Year 5 and 6 Open Evening next Thursday and as we reach the end of the first four weeks, it has been great to see students getting stuck in to designing House logos and coming up with ideas for House mottos. House Captains will be helping to shortlist the best entries and will be leading the work to develop final designs with Notts Wildlife Trust.

Work has also been underway to prepare for a number of events coming up later this term including 'Restart a Heart Day' on Tuesday 16 October when staff from East Midlands Ambulance Service will visit the school to deliver life-saving training in CPR for all of our students. The day is part of a national campaign to create a generation of lifesavers and is being delivered in association with the British Heart Foundation.

Badminton Battles

Students have been battling it out on the badminton courts this week with some showing they may have what it takes to represent the school!

Creativity and identity in Philosophy & Ethics

Who Am I?
*Brilliant I am
Resilience is the key
Inspiring people is my speciality
Top of the charts
In the leader board
Super will I be
Happy I am*

*Amazing I will be
Respect will come to me
My life ahead of me
You just wait and see.*

Who Am I?
*Feelings in my body
room free.
Bones and blood
make me.
Knowledge in my brain
keeps me wise.
Hobbies and sports
lets me love life.*

Oliver, 7RH

Year 7s have been exploring the theme of identity this week in Philosophy and Ethics and have created some brilliant 'Who Am I?' poems inspired by questions about individuality.
