## Bus Passes for Suthers School

### Autumn term 2021

We have had requests from some parents for the opportunity to purchase a bus pass instead of paying on a daily or weekly basis, we are happy to be able to offer a bus pass system to Suthers pupils starting next term.

Payment for the passes is termly, paid before the start of each term: August, December and Easter. The price of the pass is calculated on the number of school days in that term, prices are likely to be:

Autumn term £192.50, Spring term £151.25, Summer term £173.25

We operate a QR code system for the passes, you will be emailed a QR code which can be printed and given to your child or they can have the code on their phone. They will be required to scan the code each time they use the bus.

If you would like to register bus pass information please email [sally@marshallscoaches.co.uk](mailto:sally@marshallscoaches.co.uk) with the following information.

Child's name

Parent's name

Address

Parent contact telephone number and email address

Chosen bus stop

We will email out bus pass information to all those registered in July.
