End of Term!

And so, the first full term at The Suthers School comes to a close and we certainly have a lot to celebrate, not least the fact that our efforts were recognised during Prime Ministers Questions in Parliament earlier this week!

We have said farewell to Mrs Paskin, celebrated our first Christmas together with a very festive-looking Christmas dinner (see below)—thanks to all the Student Ambassadors involved in helping to make this happen—and received news that the plans for our permanent site in Fernwood have been submitted to the Newark and Sherwood District Council for approval. Details of those plans should be available to view from mid-late January and we will be in touch early in the new year to give you details of a Parents' Information Evening where you will be able to see all the plans and get a proper insight into this incredible project. In the meantime, keep a check on your inbox as you'll be receiving a little festive postcard from us which gives you a sneak peek of what the permanent school building will look like!

Finally, may we take this opportunity to congratulate all the students who earned certificates of achievement this term and thank you all for your support since September. We wish you all a very happy Christmas. We look forward to welcoming students back on Monday 8 January 2018.

Reverse Advent 2017

Student Ambassadors, Aleks, Georgia and Piper, handing over our collection to The Newark Food Bank on Thursday.
