## History in the Making

Snow may have stopped play this week but that has not stood in the way of the nominations for our first ever Head Boy and Head Girl—there are twelve candidates who have made it through the first stage of selection and who will now campaign for election. Campaign speeches will be delivered in special assemblies next week and the result of the election will be announced on Friday 9 March.

All parents should have received email notification of our first Fernwood Information Evening on Monday 26 March at Fernwood Village Hall. From 6-7pm all current parents and students will have the opportunity to view plans for the new-build and ask questions about the project as Mat Harnan, Chief Operations Officer, will be in attendance. Printed letters will be issued at the start of next week. Please RSVP.

World Book Day may have been postponed but we are already gearing up for World Maths Day 2018 on 7 March when our students will be joining a massive international online competition which measures speed in arithmetic and numeracy! Many thanks to Miss Harper and Mr Ubhi for getting our students set for this. Click [here](#) to find out more about the competition.

Don't miss our **Fernwood Information Evening** Monday 26 March 6-7 pm for all current parents and students at Fernwood Village Hall. Please RSVP to secure your place.
