## Welcome back!

The sun is shining at last and it has been great to see students making the most of our outdoor spaces at lunchtime this week. With that in mind and as we look ahead to the summer months, please do keep a check on the weather and make sure your child comes to school with sunscreen and a water bottle when needed.

As the sun has been shining, so too have Suthers School students; the Big Cake Swap event—invented and entirely organised by a group of Year 7s as a direct result of the work they had been doing in English—was a great success. Congratulations are also in order for Kian whose entry for the #Baftakids 'Being Ourselves' competition last term has been chosen for inclusion in an animation produced by Karrot Entertainment, makers of the award-winning 'Sarah and Duck'. Kian's entry

will now be incorporated into the animation and Kian will also feature in the film—he has been asked to record some voiceover material! Well done Kian—we can't wait to see the final result!

And it doesn't stop there—students involved in Film Club will soon be starting work on their entry for the Childnet International Film Competition 2018 so keep an eye out for more movie-making @suthersschool soon!

## THE BIG CAKE SWAP
