## Welcome Back!

It was great to welcome our students back from half term and to see them getting stuck into their revision for the Progress Tests coming up next week. All students have been issued with exam timetables and have been given revision materials to support their independent study at home—well done to all those who have already been using Quizlet, MathsWatch and Lexia to prepare

Congratulations are also in order this week for Aby and Charlie who won the Sports Stars Award (and 20 bonus House Points to boot!) and to Felix who was the lucky winner of the first 'Clean Sheet' prize draw, bagging himself a £20 National Book Token Gift Card. To be eligible for this draw students had to steer clear of any behaviour for learning reminders in their Conduct Cards for a whole term and it was brilliant that more than 70% of students were eligible this time round! The next draw will be held in the last week of term.

There is no doubt that the next six weeks are going to be very busy with lots of events in the calendar, including our Golden Ticket reward trip to the National Watersports Centre and lots of transition events that we'd love our current students to be involved in—so please keep an eye out for letters and updates.
