## LOOKING BRILLIANT IN BLUE

It has been great seeing our students back after the after the half term break and making their voices heard in support of Anti-Bullying Week. On Friday it was #wearblueday in support of the BullyingUK campaign to stamp out bullying once and for all. 8JU raised the most and are pictured below. And with UK Parliament Week next week, our students will be exploring the workings of Parliament, laying the groundwork for our first ever School Council and some will even have the opportunity to meet with Robert Jenrick, local MP for Newark who will talk to the students about what it means to represent others.

## LEST WE FORGET

In order to commemorate the centenary of the end of the First World War and to mark Remembrance Day 2018, students have created this powerful display of poppies and poems. Special thanks to Miss Humber for the inspiration and her work in making this happen.

## BEACON BREAK-THROUGH

Well done to everyone in Beacon House who has contributed to a massive surge in House Points over the last seven days. This puts Beacon within just a few points of taking the lead overall and means that Beacon could well be the next House Point Champions!
