WET AND WILD AT TWYCROSS ZOO

Year 7 braved the wet weather this week as they visited Twycross Zoo as part of their study of species, habitats and adaptations in Science. As you can see below, some of the students were lucky enough to get up close with some pretty amazing creatures! A special mention is owed to Molly in 7MB who proved to be a real hit with the inhabitants of the Butterfly House! Other highlights of the trip included the giraffes, zebras and parakeets—and we were even lucky enough to see the zoo's most famous resident, the Snow Leopard! The rain did not dampen spirits at all and it was great to see our students showing such curiosity and enthusiasm throughout the day.

'SHAKESPEARE IN A SUITCASE' RETURNS

Last Friday, the team from Splatsentertainment returned to The Suthers School with an action-packed and hilarious adaptation of Shakespeare's *A Midsummer Night's Dream*. And this was no ordinary performance—Year 7 were treated to a show full of colour and comedy that featured many chances for audience participation as well as a really informative Q&A session with the performers who shared stories of their own routes into theatre. What a great way to see Shakespeare brought to life!

Y8 DESIGN WINNERS

Well done to Sophie, Rebecca and Aby in Year 8 who created the winning entries in our sign design competition. They will now be joined by a team of Year 7s to create the signs for real at our new home in Fernwood, Newark.
