OPEN EVENT IN NEWARK A BIG SUCCESS

A famous face adds his support to Hums

A massive thank you to all the students and staff who helped to make our first 'roadshow' event at Newark Town Hall such a success this week. As well as presentations from Mr Pettit and our senior students Cody Harrison and Amelia Beresford-Wilson, the crowds of visitors had the chance to sample the food that will be on offer from our catering team and got a real taste of what it means to be part of a school which places character at the heart of its curriculum by completing our 'Passport to Success' challenge. Spurred on by the promise of a Suthers School goody bag, our brilliant young guests visited each of our subject stands to pick up their 'TORCH' stamps—including our Humanities stand that seemed to be manned by a rather famous visitor!

TENACITY REWARD TRIP HITS THE TARGET

As a reward for winning one of our first ever TORCH contests, 8JU travelled to Quasar Elite Nottingham for an afternoon of Laser Tag action. By all accounts, it was a close-fought contest with the reds just edging it over Mr Ubhi's blue team. Our student captains were instrumental in keeping their teams on target in the multi-level arena but the stand-out shooter was definitely Tom Bradey!

SWEET SUCCESS FOR TUCK SHOP CAMPAIGN

Well done to Sam in Year 7 whose pop-up Tuck Shop was a huge success, helping to raise more than £60 in support of the Newark District Scouts' Czech Friendship Camp taking place this summer. The funds raised will be used to support the range of activities on offer at the international co-operation event which will be celebrating its 25th Anniversary this year. Thank you to all those who have supported—especially those who are also clocking up the miles as part of their virtual walk!
