Your Weekly News Update from The Suthers School

## In Brief:

- ◆ **Our Word of the Week** was 'affirmation'
- ◆ **Gearing up for Sports Day**  
We are all really looking forward to our first Sports Day on Monday 22 July. It will be an inter-house contest remember and the title of House Champions (and the trophy) is still up for grabs so give it 100%!
- ◆ **New Term Start Dates** a reminder that it's Year 7 only on Mon 2 and Tues 3 September. Years 8 & 9 start back on Weds 4 September.
- ◆ **Join the fight against extinction.** Click [here](#) to download your elephant template and contribute to the #howmanyelephants visual petition. Bring your completed elephant in with you at the start of term and help TSS take a stand against this global issue. Make your summer holiday count!

## LAYING THE BRICKS FOR OUR NEW SCHOOL

The sun was certainly shining on us this Wednesday as we visited the site of our fantastic new home in Fernwood to deliver our personalised bricks. Every student contributed a brick, decorated with an affirmation or inspirational quotation that will be built into one of the walls of our new school over the summer holidays. We were delighted to be joined by our Chair of Governors, Mrs Pippa Suthers (wife of the late Martin Suthers MBE) who, like our students, also had the honour of laying bricks that will form part of the building's structure—a task which they all executed with an impressive level of skill!

## ORACY CHALLENGE WINNER ANNOUNCED

For our second annual Celebration of Success event at Newark Town Hall this week we were joined by guest speaker, Holly Budge, a woman whose strength of character, passion and determination proved to be a real inspiration. We celebrated another year of success with awards for achievement, progress and effort amongst many others and the winner of the Oracy Challenge 2019, Amelia Beresford-Wilson, received her trophy from Holly who is pictured below with our finalists. Well done to everyone for another hugely successful year!

## CELEBRATING THE VALUE OF EDUCATION

Members of SAVE represented The Suthers School at Newark Book Festival last weekend, selling copies of the brilliant 'Education Matters' anthologies that they created and curated in aid of the Malala Fund. They raised an impressive £70 on the day and have since supplemented that through additional sales. A massive thank you to everyone who supported this campaign and to all the students who contributed to the project.
