ANOTHER OPEN EVENING SUCCESS

On Thursday this week we were delighted to welcome more than 250 prospective parents and children to our second Open Evening of the year. Our 'Passport to Success' challenge proved a big hit with our young visitors as they toured the school, getting a taste of our brilliant subject areas and sampling a little of the outstanding food on offer from our caterers, Aspens. Each subject area showed off a little of what to expect from the curriculum at Suthers as well as giving students the chance to complete our character challenge; visitors who managed to earn a stamp for each of the five character strengths (tenacity, optimism, respect, curiosity and hard work) were able to claim a Suthers goody bag—and even had the chance to be entered in to a prize draw to win even more Suthers School goodies! A massive thank you to our amazing

student ambassadors who really helped to convey what it means to be a part of The Suthers School and why we're all so excited about the future.

NEW SCHOOL BUILDING TAKING SHAPE

Just in time for Open Evening this week we were delighted to release a new video showing the incredible progress of our brand new building. If you haven't seen it yet, visit our website or follow us on Twitter @SuthersSchool.

ANNUAL YEAR 7 WELCOME MORNING

SATURDAY 12 OCTOBER 10-11:30AM

We will be hosting our third annual welcome morning for all new students on Saturday 12 October. The event—set up in aid of Macmillan Cancer Support—provides a great opportunity to meet staff, get to know other parents and have an informal tour of the school with your child. Friends, grandparents, siblings and other relatives welcome!
