OUR STUDENTS EXCEL AT YOUTH SUMMIT

On Friday 29 November, our Student Council travelled to the head offices of Boots UK in Nottingham to take part in a Youth Summit led by Dove and WE Schools. Our students were part of a select group from across the county invited to attend as part of the company's efforts to develop a national strategy to tackle emerging issues around self-esteem, including body-image, social media and negative self-talk. Our team collaborated with students from a number of other schools before focusing in on their ambitions for The Suthers School and how we can take promote self-belief day in, day out.

Putting Self-esteem centre-stage: our Student Council exploring self-belief and presenting their ideas to tackle a growing problem.

ATTENBOROUGH SITE NEEDS A LIFELINE

We were very disappointed to learn this week that the Attenborough Nature Reserve is under threat! The land that the reserve and its conservation centre occupy is owned by CEMEX and despite the ongoing work that Notts Wildlife Trust are doing to safeguard habitats the future of the site is far from certain because its owners are planning to sell it. To save the reserve, NWT have launched a £1 million lifeline appeal. They have until 31 January 2020 to raise the money and we will certainly be doing all we can to help! Visit the NWT [website](#) for info.

YEAR 7 CELEBRATE FIRST FOOTBALL WIN

Congratulations to our Year 7 boys football team who battled through a close-fought game with Carlton Academy, part of the Redhill Academies Trust, to secure a 4-3 victory, the first Suthers School win on the football field this year. Well done boys!
