CHRISTMAS KINDNESS SHINES THROUGH

In a week full of festivities, prizes, rewards and celebrations, it was also great to see our students working so hard to support those in need this festive season. So whilst this week was of course about tucking into Christmas dinner and about enjoying a trip to the panto, it was also about giving back to our local community and fresh from the big success of our Reverse Advent Appeal in aid of the Newark Food Bank and the Christmas Jumper Day, our students braved the cold this weekend to raise much-needed funds for the Attenborough Life-line Appeal at the Newark Christmas Market. Selling the Year 7's hand-made crafts has helped to push our school total to more than £200 so far and we're not done yet! Special thanks to Mr Sykes-Wood for organising and a very big

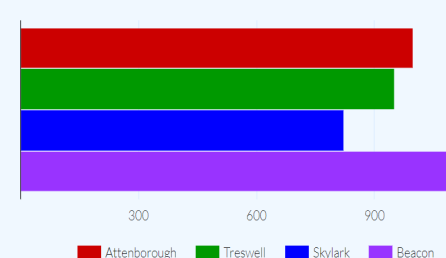

thank you to everyone who came along to support and for those who have given so generously to the campaign. The total raised by Notts Wildlife Trust now stands at nearly £880,000 so the goal is in sight! Let's hope they hit the £1 million mark soon!

BEACON CELEBRATE DOING THE DOUBLE

House points

Congratulations to everyone in Beacon House who claimed their second House Point Champion title in a row this week! Despite banking more than 100 points this week, Attenborough House couldn't quite close the gap so Beacon earn themselves another non-uniform day on Friday 10 January! Well done!
