Global Action

As part of our enrichment programme for Term 1, students have been hard at work developing ideas for the 'Send My Friend to School' campaign 2017. Click [here](#) to find out more.

Welcome

Welcome to the very first edition of The Bulletin, your weekly update on all things Suthers, including dates for your diary, news, successes, milestones and much more. The Bulletin will be published every Friday.

Firstly, an update on the refurbishment project—work has been progressing quickly since the delayed installation of the windows and we are pleased to report that we are now very close to a move-in date. All being well, the building will be handed over to us for 'snagging' and installation of furniture early next week. As soon as we can confirm a final move in date, we will notify you immediately but we would also like to take this opportunity to thank you all for your patience and support—it really has been appreciated.

Indeed, we will soon start the process of recruiting Parent Governors and will also be setting up a Parents' Forum. If these are things that you would be interested in, please do let us know by emailing: jbraithwaite@suthersschool.co.uk. We look forward to hearing from you.

Say Cheese! The Class of 2017 took their places for the first ever whole school photograph recently and this included individual photos. Orders can be placed online or through school. Deadline for return of orders is Tuesday 26 September 2017. Thank you.

'WORK HARD, BE KIND' AMBASSADORS

We are delighted to announce that we have appointed twelve Student Ambassadors. This is a vitally important role and will provide a brilliant opportunity for the students to develop new skills. They will act as role models to their peers in helping to promote our 'work hard, be kind' philosophy; they will have the chance to contribute to the development of the school, lead tours for prospective parents, support the planning and organisation of school events and above all else they will make sure that anyone who visits The Suthers School receives a warm welcome and has a positive experience. Congratulations to all of our new Ambassadors.
